Today's Topic

How eDiscovery can Affect Information Governance and Drive Improvement

Featured Speakers

Tyler Haney and Jeff Stoneking

Manager of DSi's Midwest Office, **Tyler Haney** works with the firm's clients in Ohio, Indiana and Kentucky. He has worked in the litigation technology field since 2007 and is proficient at assisting clients at every stage of the EDRM model – adeptly providing successful e-discovery strategies while controlling costs. In accordance with DSi's deep commitment to customer satisfaction, Tyler has a strong background in customer service and consulting, skills he employs in designing and delivering e-discovery and forensic services that are customized to the client's needs. Prior to joining DSi in 2010, Tyler served as account manager for IKON Office Solutions in Cincinnati, Ohio and as a financial services representative with Nationwide Financial in Columbus, Ohio. He holds a bachelor's degree in marketing and business administration from Indiana Wesleyan University and was president of the university's American Marketing Association.

Jeff Stoneking is a senior eDiscovery consultant & partner with DSi, a full service litigation support firm providing comprehensive services including digital forensics, early case assessment, data processing, data hosting, electronic discovery, technology assisted review, consulting and more for complex legal matters of all sizes. In the litigation technology field since 2006, Jeff has extensive experience in all phases of electronic data discovery and digital forensics. Jeff is also a co-founder and partner of DSi Knoxville and oversaw the opening of that office. With more than nine years of progressive consulting experience, Jeff has assisted both law firms and corporations with the management of requests for electronically stored information on a variety of matters including, but not limited to, Department of Justice Investigations, FTC Second Requests, Internal Investigations, Regulatory Requests, Class Actions, Complex Litigation, Commercial Litigation and General Business/Employment Litigation.
